Do you want to Conquer the world?

Need an international lifestyle? If your answer is YES, the perfect career for you is in Aviation, Hospitality, Customer Service, Travel and Airport Management.

With the end of the recession, there are more job opportunities in this sector than ever before. The huge potential of aviation management is attracting investors from all over the world. In the coming days, the aviation industry will observe tremendous investment of up to 2 lakh crore rupees, demand 935 more planes and traffic growth of 13% CAGR. You can be part of this industry by training with Avenir, and you could be working and living in World's top airlines and hotels.

About Us

Avenir's focus lies in creating versatile, structured training programs and certificate courses for students. The training is made after years of dedicated research and provides each student with the knowledge and skills required to realize great success within the fields of Aviation, Hospitality, and Travel and Customer Service.

We have faculties graduated from the best universities with experience of working with reputed international and domestic airlines. They hold the competence to train you to perfection.

We strongly believe that an atmosphere where the student feels comfortable and at ease makes for better learning. Every single centre is fully air-conditioned and we provide high-quality food and accommodation facilities. We maintain the equal dignity and decorum of the airline industry.
